

CLEAN IMPLANT FOUNDATION

CERTIFICATE

The CleanImplant Foundation is pleased to confirm

Dr. med. dent. Gregor Hočevar

as

CleanImplant Certified Dentist

and active supporter of the CleanImplant Project.

The CleanImplant Foundation strives to evaluate and promote the highest quality in clean and safe dental implants for the benefit of all patients.

This support enables our effort to carry out complex research projects and allows us to spread the information significantly better by focusing on the safety of medical devices.

Expiring Date October, 14, 2022

This certification shall be valid until the expiration date above.
The aforesaid is subject to regular renewed examinations.

Dr. Dirk Duddeck, Managing Director
CleanImplant Foundation CIF GmbH
