

# Ceramic expertise on tour - expertise that comes to you

**Knowledge that empowers,  
experience that unites.**

Shaping the future of ceramic  
implantology with **dr. Gregor Hočevar**.

**SDS** SWISS DENTAL  
SOLUTIONS 

**SCS**

**SATELLITE CERAMIC SYMPOSIUM**

 October 16, 2025

 ESPLANADE ZAGREB HOTEL  
Mihanovićeve 1

## Experience is the foundation of excellence.

For some, ceramic implantology marks a significant career milestone; for others, it represents the next step toward biologically oriented, state-of-the-art dentistry. What unites both is the pursuit of reliable, practice-driven knowledge, shared in an efficient and accessible format.

Through this exclusive workshop in Zagreb, participants will gain direct access to cutting-edge expertise and hands-on training, while shaping the future of ceramic implantology together with a leading specialist in the field.

**Language: Croatian**

**INVESTMENT: €50<sup>1</sup>**

Please Note: The number of participants is limited to a maximum of 20 people per location. Therefore, please reserve your place early!

1) Prices subject to change and errors excepted

Registration and detailed  
information can be found  
at SDS EDUCATION.
