Certification as a NARM Master Practitioner is not a license to practice psychotherapy nor body therapy. Such licensing is governed by national and local agencies. Practitioners are required to practice within the constraints and requirements of their professional national, state and local licensing board.

EUROPEAN ASSOCIATION FOR SOMATIC EXPERIENCING®

We hereby confirm that

Karima Valentina Hocevar

has completed a three-year complementary education in Somatic Experiencing (SE)®
and is hereby authorised to use the title

SOMATIC EXPERIENCING PRACTITIONER (SEP)

Faculty

Cologne, September 2014

The training consists of 288 units of theory and supervised practices as well as the mandated individual sessions and case consultations. Somatic Experiencing (SE)® is a basic concept for understanding, prevention and resolution of trauma for professionals in the pedagogical, psychosocial and medical field and must only be used within the bounds of the therapeutic or professional authorisation. Certification as a Somatic Experiencing Practitioner (SEP) does not replace a therapeutic professional training.
